PUBLIC WORKSHOP

Park Avenue Relocation Phase 1

Contract T201304601

DeIDOT South District Office
23697 DuPont Boulevard Georgetown, DE
Tuesday, May 28, 2019
4:00 PM – 7:00 PM

The Delaware Department of Transportation (DelDOT) would like to invite the public to a Public Workshop to discuss the details and schedule of the Park Avenue Relocation Phase 1 project in the southern portion of the Georgetown area, in Sussex County. The workshop will be held on Tuesday, May 28, 2019 at the DelDOT South District Office, 23697 DuPont Blvd., Georgetown, Delaware. The public is invited to attend any time between 4:00 p.m. to 7:00 p.m.

The purpose of this project is to improve traffic operations and safety of the U.S. 9 truck bypass from U.S. 113 to east of Georgetown. The proposed improvements will occur in two phases. Phase 1 will include improvements along U.S. 113 and Arrow Safety Road, a roundabout at the existing Arrow Safety Road/S. Bedford Street intersection, and the relocation of Park Avenue to just west of Cedar Lane (south of Delaware Coastal Airport). Phase 2 will occur following Phase 1 and will extend along existing Park Avenue from the end of Phase 1 up to and including the intersection with U.S. 9. Attendees will have an opportunity to review Phase 1 of the project and provide comments to DelDOT representatives at this workshop.

Interested persons are invited to express their views in writing, giving suggestions for improvements to the transportation corridor. Comments will be received during the workshop or can be mailed to DelDOT Community Relations, P.O. Box 778, Dover, DE 19903 or sent via email to dotpr@delaware.gov.

This location is accessible to persons having disabilities. Any person having special needs or requiring special aid, such as an interpreter for the hearing impaired, is requested to contact DelDOT by phone or mail one week in advance.

For further information contact DelDOT Community Relations at 1-800-652-5600 (toll free) or 302-760-2080 (in DE) or write to the above address.
